We have tried to include everything you would need for your ceremony & reception. If you don't see it here, we will happily help to source it for you.

We understand that these packages may not be for everyone. Should you not find something within the packages below we are only too happy to work with you to customise something to better suit your needs. So, if you love the venue but not the packages, let us know!

Just want to have your no fuss wedding ceremony at our venue & don't need all of the extras included in our Ceremony package? Speak to us about hiring our garden only.

All the vendors available for your selection have been carefully chosen to suit the packages we have created. Once you have booked our venue we ask that you please take your time to review each of their work & chat with them in order to make your decision on who you would like to work with.

Please note that all packages, pricing & vendors are subject to change without notice.

Transport options are also available, including private transfers, buses, coaches & limousines. These can be quoted on request.

All combined ceremony & reception packages include one hour between the ceremony & the reception to allow our staff to pack down your ceremony & setup your reception. During this time your guests will be invited inside the hotel.
